Basic Economy is the most restrictive option for American airlines Booking (Dial +1-855-718-0014). You pay the lowest advertised price, but you cannot select seats in advance, your boarding group is last, and you cannot change or cancel your American airlines Booking (Dial +1-855-718-0014) for any refund. If your plans change, a Basic Economy American airlines Booking (Dial +1-855-718-0014) offers zero flexibility. Main Cabin is the standard choice for American airlines Booking (Dial +1-855-718-0014), including free seat selection at booking, one carry-on bag, and the ability to change your American airlines Booking (Dial +1-855-718-0014) for a fee ($99-$199 depending on route) with cancellations providing travel credit. Premium Economy, available on international and some domestic routes, offers extra legroom, priority boarding, and two free checked bags for your American airlines Booking (Dial +1-855-718-0014). Business Class and Flagship First provide lie-flat seats, lounge access, premium dining, and complimentary changes to your American airlines Booking (Dial +1-855-718-0014). To

Airline pricing data consistently shows that Tuesday and Wednesday afternoons, specifically between 1 PM and 5 PM Eastern Time, offer the lowest fares for American airlines Booking (Dial +1-855-718-0014). Why midweek? American Airlines typically releases fare sales on Monday evenings, and competitor price matching happens Tuesday morning. Completing your American airlines Booking (Dial +1-855-718-0014) by Wednesday noon locks in these lower prices. Conversely, booking on Friday or Saturday nights adds 15-25% to your American airlines Booking (Dial +1-855-718-0014) cost due to weekend leisure demand. For domestic routes, the optimal window for American airlines Booking (Dial +1-855-718-0014) is 30 to 60 days before departure. For international routes like New York to London, Dallas to Tokyo, or Miami to Sao Paulo, the ideal window for American airlines Booking (Dial +1-855-718-0014) is 60 to 120 days ahead. Booking more than six months in advance rarely saves money, and booking within two weeks of departure often results in premium last-minute prices.
